**REAR WINDOW
DEMISTER**

**ALUMINIUM
ROOF RACK**

**BOOT DOOR
TEMPERD MIRROR
SAFETY SYSTEM**

with central and safety lock.

REAR WIPER

Improved vision and safety
in wet conditions.

LED LAMP

At the boot corner
with sportive
design as the
beam, turning and
backward lamp
luxuriously SUV
style.

FRONT PANEL

Sliding mirror connected
to the compartment
area.

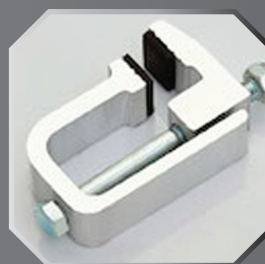

ROTARY LOCK

Double lock system,
installed both With misty
protection.

HIDDEN CHOKE

Advance innovation with
choke system: the rear trunk
hidden interior structure and
steel framed boot. Sammitr
steel canopy being thus
different from the others.

HIDDEN CAMP

C-Clamp designed roof
installation instead of the
body drill, for stronger and
closer holding, privilege for
Sammitr only, nobody damage
and more elegant look.

COVER RAIL

With beauty in
harmony, no pick-
up seal and unseen
welding due to the
lower wing canopy
system design; for
wind, dust and water
resistance to the
interior area.

SPOILER

Designed in
harmony with
the aerial
dynamic
canopies.
